ROADWAY IMPROVEMENTS ON NH ROUTE 16 IN DUMMER
ONE MILE SECTION NEAR THE PONTOOK RESERVOIR

The New Hampshire Department of Transportation announces roadway improvements are scheduled to get underway on Wednesday, July 5 to a one-mile section of NH Route 16 in Dummer in the vicinity of the Pontook Reservoir.

This road improvement project will require daytime single lane traffic until the end of August. The work will be done by New Hampshire Department of Transportation District One Highway Maintenance forces and is scheduled to be completed in September.
